

AMENDMENTS TO THE CLAIMS

The following listing of claims will replace all prior versions and listings of claims in the application.

LISTING OF CLAIMS

1. – 24. (Cancelled)

25. (Previously Presented) An organic electroluminescent device having a plurality of material layers selectively applied on an applying position surrounded by a partition wall, wherein at least one material layer of the plurality of material layers contains a surfactant;

wherein each material layer containing the surfactant has a uniform thickness and a wettability that is greater than a material layer without the surfactant.

26. (Currently Amended) The organic electroluminescent device according to Claim 25, wherein a light-emitting layer of the material layers contains ~~[[a]]~~ the surfactant.

27. – 30. (Cancelled)
